[Microsoft Teams Meeting](#)

or

5510 Overland Avenue, Conference Room 472
San Diego, CA 92123

Commissioners Present: Mark Seits, Kathy Kassel, Mary Yang, Jeannette Temple
Virtual: Vicky Zhang, Joshua Bayona, Tyler Heckstall-Rodenbaugh, Issam Mikha
Staff Present: Sara Agahi, An Pham, Alexander Redmond, Ashkan Azarnia, Beatriz Price, Olufemi Aina, Christian Medina Perez
Guest(s):

Comm. Seits called the hybrid meeting of the San Diego County Flood Control District Advisory Commission (FCDAC) to order at 9:30 a.m. on Thursday, February 12, 2026. Attendees joined the hybrid meeting both remotely and in-person from conference room 472.

1. **Roll call**
2. **Review November 6, 2025, meeting minutes**

ACTION: Read and approved. Comm. Seit motioned for approval. Comm. Kassel seconded. All present commissioners voted aye. Motion carried.

3. **SB 707 Brown Act Update**

Ms. Pham presented a briefing on the SB 707 Brown Act Update. She discussed changes that took effect January 1, 2026, including clarifying teleconference requirements and the combination of just cause options into one option. She outlined a new teleconferencing option for eligible advisory bodies. She advised additional information will be provided once guidance from the Clerk of the Board is received. Commissioners discussed the new remote option and unanimously approved to request authorization.

4. January 1 Storm Update

Mr. Aina and Mr. Heckstall-Rodenbaugh provided a January 1 Storm update. They detailed the cause of the rain, how much fell, and the impact on areas around the County. They also explained how the Eastern Pacific low-pressure system was responsible for rainfall over the region.

5. Sinkhole in unincorporated El Cajon

Mr. Redmond provided a short update on the 1280 Bates Ln sinkhole project in the El Cajon area that resulted from the January storm. He provided background, location information, details of what caused the sinkhole, images of the project, scope of the project, current project status, costs, and construction forecast.

6. Pecan Park/Los Coches Creek Project

Mr. Azarnia presented on the Pecan Park/Los Coches Creek project in the El Cajon area. He provided background and history of the Los Coches Creek, discussed the current erosion issue, images of the erosion, scope of project, current project status, costs, and next steps for the project.

7. Public Comments

None.

Meeting adjourned at 10:41 a.m.

Mark Seits, Chairman
San Diego County Flood Control
District Advisory Commission

Sara Agahi, Secretary
San Diego County Flood Control
District Advisory Commission

Minutes prepared by: Beatriz Price

Next meeting is scheduled for April 9, 2026.
